

INSTRUCTIONS FOR AUTHORS

Theoretical Journal Defendologija publishes scientific (original scientific paper, review article, short and former report, scientific criticism – i.e. polemics) and professional articles (professional paper, informative supplement, presentations) in Serbian and English.

In order to meet scientific requirements, the Editorial Board of the Journal Defendologija subjects every paper to anonymous review. The Editorial Board is obliged to send in due time a reviewed copy of paper with the remarks of the reviewer to authors for correction. Two anonymous reviewers will review each paper sent to the Editorial Board, and the paper will be published if the reviewers think it meets required scientific criteria.

The manuscript is very important, so we urge all authors in the Journal Defendologija.

The paper should include the following elements:

- **Paper volume:** minimum six (6), maximum sixteen (16) language-edited pages;
- **Font:** Times New Roman, spacing 1, aligned left and right border;
- **THE MAIN TITLE** (bold) is written with capital block letters, size (11pt);
- **The scientific title, name and surname of the author** (bolded), name of the institution where he is employed and where he comes from in the top left corner, size (11pt);
- **The second line titles** (bolded) are written with small letters (11pt);
- *Other subtitles* – small italic letters (11pt);
- **Abstract:** (bolded), the rest of the text 150-250 words in Serbian;
- **Key words:** (bolded), three to ten (3-10) words;
- **Main body of the paper** is written with small block letters, equal alignment (11pt);
- **Tables and photos:** The name of the tables and photos must be numbered and written with regular font above the table or photo, left alignment. Bigger tables and photos can be displayed vertically on a separate page. The data source for the table or photo is written below the table or photo, left alignment. The size of the table or photo must be adjusted to the page size.

Data source:

- **References** (bolded), central alignment. The references should be numbered alphabetically;
- **Quoting:** For references and bibliography, the theoretical Journal Defendologija uses APA standard quoting. The examples of APA quoting can be found on the website of the Defendologija Center: www.defendologija.com;
- The paper should be submitted in two original copies, in Serbian and English, as well as in electronic form. One copy with all the above, and the second copy without the author's name and surname, and the employment institution. Also, the author should write his email address, i.e. the email address of the correspondent if it is a co-author paper;
- The Editorial Board of the Journal retains the right to choose from the papers and supplements, and only those papers that have not been published before will be taken into consideration;
- The paper should be submitted personally or via post to the address of the Defendologija Center: Srspska 63, 78000 Banja Luka, Republic of Srspska, BiH.
